A SPECIAL PRAYER UPDATE FROM SOUTH AFRICA

The Hall Family | November 2026

Dear Praying Friends,

Brayden's Health — Thank You for Praying!

When the Lord is at work, the Devil is fighting! Just days after stepping out by faith to purchase the property next door, our son Brayden was hospitalized with diabetic ketoacidosis (DKA). After several days in ICU and the hospital, **we praise the Lord that he is now home!** Thank you for your prayers and encouragement. Please continue praying for his health.

Room to Grow — A Step of Faith!

Our offer to purchase the property next door to Bay Baptist Academy has been accepted! This will nearly double our space, make room for approximately 80 more students, and provide more opportunities for scholarships and ministry training. **Of the $165,000 needed, the Lord has already provided $30,000!** Please pray for another **$5,000 by November 14** for legal expenses and the remaining **$130,000 by January 30**. Gifts may be sent through Vision Baptist Missions, designated for Bay Baptist Academy.

Coming Stateside — December 2, 2026 to August 2, 2027

We would love to visit your church during furlough to present the ministry or give an update. Please let us know if we can schedule a visit! Thank you for faithfully praying and supporting the work here in South Africa.
